SMART FURNITURE SOLUTIONS 2026

The seventh edition of Smart Furniture Solutions Vietnam returns to the booming Binh Duong, where all the furniture manufacturers are concentrated. To help manufacturers keep up with the high level of competition, the exhibition once again features smart manufacturing and digital technologies that can make production faster, more efficient, and better quality. Learn from the best Industry 4.0 practices during the exhibition, and upgrade your processes with automated technology for the production of panel furniture, solid timber furniture, wood and wood-based panels, windows, doors and floorings.
